Our jobs are exclusively made in Italy created in our laboratory.

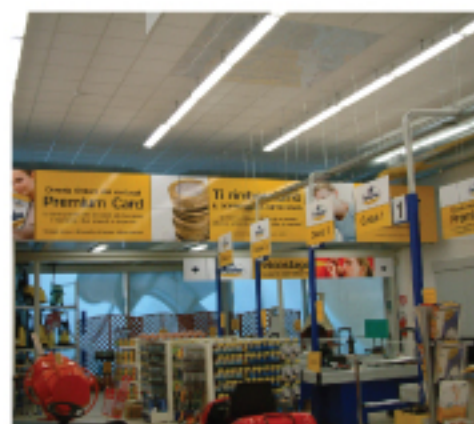

EQUIPMENTS

POSTERS & BANNERS

Proposals for companies in need to give greater visibility to their image, or their produce and personal solutions in the advertising which relai preparations malls, billboards air, road markings and signs, banners, stickers pre-spaced, window displays, illuminated signs.

VEHICLES

VEHICLES & FLEETS COMPANY

Customizing vehicles with stickers and posters prespaced digital, thanks to an Italian partnership of 2010, our company uses only adhesive vinyl made in Italy design and build customized set of small and large corporate fleets, high quality standards.

PROMOTIONAL

GADGET & COMPANY GIFTS

The gadget is now a formidable advertising vehicle for, that our organization provides graphics to find a suitable solution to give visibility to your brand, following your needs step by step.

DIGITAL PRINT ON T-SHIRT

NEW

This prolonged period of crisis has led us to not be afraid to change and diversify our business being tied to a single service is no longer enough and that's why we decided to invest in new printing technologies to achieve a continuous workflow without interruptions, for a year ago we introduced a new machine for customizing t-shirt direct digital printing provides a yield high-definition and soft to the touch, because the color penetrates completely into the fabric, with this method you can create endless possibilities for a t-shirt UNIC.
